

## THE CAPITAL LINCOLN CLUB

*Advancing Conservative Leadership in the Sacramento Region*

---

Dear Friends,

We are delighted to invite you to the Capital Lincoln Club's Inaugural Freedom Awards Dinner — a landmark evening celebrating the re-emergence of our organization and the conservative values that strengthen our communities, our state, and our nation. This event marks a new chapter for the Capital Lincoln Club, and we are honored to share it with you.

We are honored to welcome Gordon G. Chang, internationally renowned China expert, bestselling author of *The Coming Collapse of China* and *Plan Red*, and Fox News contributor, as our keynote speaker. His address, "California: The Frontline Against China's Assault on America," is more timely and important now than ever as the geopolitical landscape shifts rapidly and California's role in America's national security and economic competitiveness grows ever more critical.

This inaugural event also sees the presentation of the Lincoln Club Freedom Award. We are deeply honored to present this award posthumously to Congressman Doug LaMalfa, in recognition of his extraordinary years of service to the people of Northern California and his unwavering commitment to conservative principles, our agricultural communities, and the values that define our region. Congressman LaMalfa's legacy of leadership and dedication will be remembered and celebrated on this special evening.

We cordially invite you to join us on Saturday, May 2, 2026, at The Sutter Club in Sacramento, California for an evening of networking, celebration, and engagement. This year's dinner coincides with the 250th Anniversary of the United States and takes place just one month before California's June primary election — making your participation all the more impactful.

Your support fuels the Capital Lincoln Club's mission to support conservative candidates at every level of government, conduct voter registration and Get Out the Vote campaigns, recruit and train emerging leaders, and advocate for lower taxes and reduced regulation. Together, we aim to make California a stronger, more competitive, and more conservative state.

Your participation and support on this memorable evening will not only strengthen the Lincoln Club — it will strengthen the candidates, members, and communities we serve. We invite you to review the enclosed sponsorship opportunities and join us in making this inaugural event a resounding success.

Please note that sponsorship opportunities are limited and will be awarded on a first-come, first-served basis. With seating for just 200 guests at The Sutter Club and only one sponsorship available at several levels, we encourage you to secure your sponsorship early. We anticipate strong interest and do not want you to miss this opportunity.

With warm regards,

Matthew Harmon
